## Internship at Gimv

### About Gimv

Gimv is a European investment company with over three decades experience in private equity and venture capital. The company is listed on Euronext Brussels and currently manages around 1.8 billion EUR (including investment partnerships) of investments in more than 50 portfolio companies.

As a recognized market leader in selected investment platforms, Gimv identifies entrepreneurial and innovative companies with high-growth potential and supports them in their transformation into market leaders. Gimv's four investment platforms are: Connected Consumer, Health & Care, Smart Industries and Sustainable Cities. Each of these platforms works with a skilled and dedicated team across Gimv's home markets of the Benelux, France and the DACH region and can count on an extended international network of experts.

### What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity and Venture Capital sector. For a period of at least 3 months you will work cross-platform (Connected Consumer, Smart Industries and Health & Care) as a member of the investment team. As an intern you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the ability to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and network through internal and external meetings
- Acquire the necessary technical skills through group and/or individual trainings

Upon completion of the internship, many of our interns are prepared to function as an Analyst in an investment bank, M&A or Private Equity house. We encourage them to apply for any open position within Gimv.

We offer a challenging environment with room for own initiatives, complemented with the required training, as well as a market standard compensation package.

### Key competencies and qualifications include:

- First-class business, economics, science or engineering degree
- Strong analytical skills
- Financially numerate with excellent Microsoft Office skills
- Excellent communications skills, fluent German and English
- Self-starter
- Demonstrable interest, experience and understanding of specific sectors we focus on
- A desire to work in private equity/venture capital

**Please send your cover letter + CV (max 1 page) clearly indicating your availability to [internships.germany@gimv.com](mailto:internships.germany@gimv.com) for an internship in our Munich office.**
