

E-learning courses:

Frankfurt School Development Finance e-Campus

About us:

Frankfurt School Development Finance e-Campus offers online certification courses as well as an online academic programme worldwide. With FSDF e-Campus, Frankfurt School's education programmes can be accessed from all over the world, regardless of physical, political and economic boundaries.

Why FSDF e-Campus e-learning courses?

The Frankfurt School e-learning 6-month certification programmes are adapted to part time studies along full-time work with flexibility to follow your own schedule. The courses will help you develop your qualifications systematically and successfully. Together we build your career and make a difference in the social and economic development of your country.

What do we offer?

- Interactive e-learning courses including video lectures, PDF scripts, and online tests for each unit, as well as practical exercises, and case studies.
- A discussion forum for course-related issues and for exchanging experiences with your fellow participants and tutors.
- The option to obtain a **Frankfurt School Certificate** upon passing the final exam or a confirmation of course completion after working through all units.
- A large network of final exam locations at partner institutions all over the world.
- Personalized support from your FSDF e-Campus team.

Your success is our inspiration!
