## THE GERMAN WINTER SUMMIT 2026

### UNLOCK YOUR POTENTIAL THIS WINTER!

In January 2026, Frankfurt School is excited to offer its first ever edition of the Winter School:

**The German Winter Summit 2026!** During the two-week programme, students will stay in three of Germany's most important and interesting cities: First week will start with the country's bustling harbour city **Hamburg**, over the weekend, participants will visit **Berlin**, Germany's vibrant capital, and the final week takes place in **Frankfurt**, Europe's financial hub and the home of Frankfurt School.

With students coming from all around the globe, participants will benefit from networking events, lectures from industry experts! The purpose of the German Winter Summit is to enhance the general and practical knowledge of Bachelor and Master students who seek hands-on experience and new perspectives.

### ABOUT FRANKFURT SCHOOL

Frankfurt School of Finance & Management is a private, non-profit business school with university status. Frankfurt School has one of the largest faculties for business administration in Germany and ranks among the most prominent business schools in Europe for its research, degree programs and executive education. We proudly hold "triple crown" accreditation from AACSB, AMBA, and EQUIS.

#### WEEK I HAMBURG

The first week will take place at Frankfurt School's campus in Hamburg in the so-called harbour city. This Hamburg week will comprise exciting lectures on different topics and disciplines within the field of Blockchain & Crypto Currency, Strategy and Leadership. The lectures will be accompanied by company visits and study cases from relevant fields.

#### BERLIN WEEKEND

Gain a comprehensive understanding of Berlin's transformation – from the grandeur of Prussian times to the devastation of the Third Reich, through the city's Cold War division and its remarkable reunification. Explore key landmarks such as Checkpoint Charlie, the Reichstag, the Brandenburg Gate, and the Berlin Wall.

#### WEEK II FRANKFURT

During the second week of the programme students will be at Frankfurt School's main campus in Frankfurt. The Frankfurt week will comprise exciting lectures on different topics and disciplines within the field of Business Analytics and Marketing. The itinerary features a presentation by representatives from the continent's preeminent banking authority, offering firsthand perspective on European financial governance.
