Target Group

Bank management and staff, financial supervisors, and investors who are working on developing a strategy for managing distressed loans and NPLs. All who need to develop a comprehensive understanding of recent regulations, and the institutions and legal context that will govern NPL management and debt restructuring. Consultants and other insolvency professionals will also benefit.

Sustainable World Academy

FS Sustainable World Academy offers professional and executive courses dedicated to the advancement of the UN Sustainable Development Goals (SDGs). Courses are offered online – through its development finance e-Campus platform- and on campus – for example through the Inclusive Finance Summer Academy.
