Target audience

The programme is designed for (emerging) leaders who are passionate about finance and the role it plays as a catalyst for sustainable economic development and equitable and environmentally conscientious growth in economies worldwide – in other words, how to finance and manage a better future for all.

Sustainable World Academy

FS Sustainable World Academy offers professional and executive courses dedicated to the advancement of the UN Sustainable Development Goals (SDGs). Courses are offered online – through its development finance e-Campus platform- and on campus – for example through the Inclusive Finance Summer Academy.
