

Customised Programmes

In today's constantly changing business environment, it is essential for a company to be able to learn and to adapt effectively. The Frankfurt School of Finance & Management offers customised executive development, technical training and blended learning programmes necessary for your company to maintain its competitive advantage. We design and implement programmes of the highest quality, tailored to your specific needs and requests to ensure the success of your employees.

Due to our flexible nature, our programmes can be provided in Frankfurt with the added benefit of industry site visitations to leading German banks and companies, or on your premises for your convenience.

Benefits from a customised education programme:

- Ensures that your strategy is being implemented
- Focuses on your special needs and requirements
- Creates and preserves your competitive advantage

We customise the following programmes:

- Leadership Development Programmes
- Any of our open programmes including the Frankfurt Mini MBA
- Study Tours in Germany and Europe
- Technical Training on Banking and Finance
- Blended learning programmes

As an international business school accredited by AACSB and EQUIS, our diverse clients come from a wide variety of industries representing well established national and international financial institutions and corporations.
