BACHELOR IN COMPUTATIONAL BUSINESS ANALYTICS (BSC)

Description
The combination of Artificial Intelligence, Big Data and strong Computing Power is changing the Business world. In response to these changes, we are now offering the Bachelor in Computational Business Analytics (BSc) at Frankfurt School. While data scientists are in high demand, business-savvy data scientists are among the most sought-after professionals worldwide. Understanding both the business side and data science side of complex issues and speaking fluently to people from both sides, is mission-critical to a rapidly increasing number of businesses across all industries.
