IMPACT INVESTING PROGRAMME

Frankfurt School

Highlights

Until a few years ago, green and sustainable investment was considered idealistic - but unrealistic. Today, there are many impressive cases that showcase how impact finance can achieve the holy grail: a positive social and environmental impact, as well as a solid financial return.

Impact finance has gained a lot of traction in recent years: be part of the Trend!

Target Group

Executives from a development finance institutions, research organisation, global company, other multilateral organisation, or a government body.
