

US Financial Aid Acceptance

To accept your US Financial Aid Award Package, please fill out the following information. Please note that any scholarships you receive will be subtracted from the amount you are eligible for. You must list all discounts and scholarships you have been awarded.

Your loan will be split in two and one half disbursements, disbursed in the beginning of each semester. Please note that you can reduce your loan amount in between if need be. Please inform me about this in advance. The money will be deposited into Frankfurt School's account, and the money will be allocated to all open invoices. The remaining amount will be transferred into your German Banking account to support your Cost of Living.

Important: While you are allowed to borrow the amount sent to you, you are not required to do so. Please think about the amount of money which is necessary for you to borrow, as you must pay it all back with interest.
