## Mission

Education is central to development - both in the sense of personal advancement and in the wider context, defined as the development of countries. Our online programmes help you to systematically and successfully develop your qualifications and to build your career while recognising the social function of education.

## Sustainable World Academy

FS Sustainable World Academy offers professional and executive courses dedicated to the advancement of the UN Sustainable Development Goals (SDGs). Courses are offered online – through its development finance e-Campus platform- and on campus – for example through the Inclusive Finance Summer Academy.
