Degree: Master of Science (MSc)

Target audience
We welcome young, innovative individuals who aspire to excel in management and business. Many of our students already hold previous degrees in those fields, however we also invite candidates with backgrounds in unrelated fields to apply.

Highlights
- Consistently ranked in the Financial Times Global Masters in Management Ranking
- A unique 3-day model that permits you to work three days a week while pursuing a full-time master’s degree
- International learning environment prepares students to succeed in a global workforce
- Integrates practitioners through site visits, guest lectures and real-life case studies
