Risk Management Training**

*"This study tour was very interesting for me. I learned practical experience from different institutions, about their activities and how they approached them. I am happy to have had this experience"*

**Egyptian Banking Institute,  
Future Leaders Outdoor Training**

*"Training was arranged excellently. It was very a pleasant experience to associate with Frankfurt School. The hospitality of the school is of higher order. Great school and great people."*

**IFC – World Bank Group,  
PPP in Health Care Sector Training**

*"This was a very good training programme. I learnt a lot of new things which I intend to put to use in our Hospital Project on PPP being implemented by my state. I also had the opportunity of interacting with PPP practitioners and learn from their experience. The Frankfurt School faculty were very knowledgeable and were willing to share their experience and it wasn't all work. The evening outings provided a clear understanding of ordinary German life."*
