

Frankfurt School Payment Plan Options

(A) Standard Payment	The academic programme tuition fees for the Frankfurt School of Finance & Management gGmbH must be paid before the beginning of each semester
(B) Payment in Instalments (+5%)	Students have the option to arrange monthly instalments. A surcharge of 5% of the tuition fees to be paid is levied as an administrative expense.
(C) Upfront Payment (-5%)	It is possible to pay the tuition fee as a full one-off payment before the course begins. In this case, the Frankfurt School of Finance and Management gGmbH grants the students a discount of 5% from the remaining amount (after deduction of the Early Bird Discount, Alumni Discount or Scholarship).
