What to expect

This training was developed with M&A experts from different industry leading companies such as Stada, Qiagen, SAP, Daimler and Bertelsmann, and the well-known PMI expert Johannes Gerd. It takes the learner on a comprehensive journey through a broad range of PMI topics and areas. Participants benefit from practical know-how and best practises.

Ideal for

Employees who are or will be involved in post-merger integration processes – ideally not only the project leadership team, but also functional specialists and other team members.

Examination

Optionally, this online training can be completed with an online exam to achieve the certificate of Certified Mergers & Acquisitions Associate (Frankfurt School). Otherwise participants will receive a confirmation of participation.
