## What to expect

This training was developed with M&A experts from different industry leading companies such as Stada, Qiagen, SAP, Daimler and Bertelsmann, and the well-known PMI expert Johannes Gerd. It takes the learner on a comprehensive journey through a broad range of PMI topics and areas. Participants benefit from practical know-how and best practises.

## Ideal for

Employees who are or will be involved in post-merger integration processes – ideally not only the project leadership team, but also functional specialists and other team members.

## Examination

Optionally, this online training can be completed with an online exam to achieve the certificate of Certified Mergers & Acquisitions Associate (Frankfurt School). Otherwise participants will receive a confirmation of participation.
