## Structure

- 3 online modules
- 1 case study

## What to expect

The M&A Associate programme is based on the online training M&A2go. M&A2go has been developed together with M&A responsables from Bertelsmann, Brose, QIAGEN, TÜV Rheinland, Vossloh and Werhahn. It delivers a solid introduction to the key phases and core tasks of buy-side transactions. In this online training the learners will find check lists and questions to consider working on an M&A projects. Best practice examples and case studies are provided to help participants master the first challenges of upcoming M&A projects.

## Ideal for

M&A first-timers who are currently or in the future will be involved in a M&A projects. Young Professionals looking for basic knowledge to head for a career start or senior students who aim for an internship in the M&A industry.

## Examination

Optionally, this online training can be completed with an online exam to achieve the certificate of Certified Mergers & Acquisitions Associate (Frankfurt School). Otherwise participants will receive a confirmation of participation.
