

Clew Partners Background

Clew Partners is a buy-side M&A advisory firm based in New York City. Our partners have extensive experience advising and investing in US and European middle-market businesses, from previous roles, such as at Ziff Brothers, H.I.G. Capital, Goldman Sachs, and Barclays. Clew co-founder Ingo Stralkowski is a Frankfurt School alumnus (BSc'08).

In the past two years, we have sourced and advised on transactions with a combined enterprise value of almost \$350 million, including the merger of BluSky and HARBRO by Dominus Capital, Ardian's platform acquisition of Soteria Flexibles, and Center for Social Dynamics' (backed by NMS Capital) add-on acquisition of JF Autism Services.

Position Summary

For an immediate start date, we are seeking a high-performing undergraduate student candidate able to remotely support our growing team with the following buy-side client deliverables:

- Prepare customized acquisition search profiles for our buy-side clients' target industries, including:
 - investment criteria
 - industry dynamics
 - our client's value proposition
 - keywords/phrases describing target products
- Construct acquisition target databases based on specific parameters and utilizing numerous business information resources
- Integrate target database information into our CRM system

Qualifications

- Strong critical thinking skills and high attention to detail
- Self-motivated team player with positive attitude, who thrives in a collaborative environment
- Robust written, verbal, and telephonic communication skills
- Basic understanding of corporate finance/M&A preferred, but not required
