

Join us in shaping our future

Rothschild & Co is one of the world's largest independent financial advisory groups. We provide strategic, M&A, financing, wealth management and fundraising advice and services to governments, companies and individuals worldwide. Family-controlled and independent, we have been at the center of the world's financial markets for over 200 years. With more than 70 professionals in Frankfurt we advise our clients on strategy, mergers and acquisitions, equity and debt capital raising as well as restructuring processes.

Our recruitment philosophy remains to hire motivated and talented individuals who will be directly involved in all aspects of the business globally and who will actively participate in shaping the growth of our business in the future.

In order to expand our presence and market position in Germany further we are looking for

Graduates (m/f/d) for our Debt Advisory / Restructuring Team in Frankfurt,

starting on 1 or 15 July 2021 at the latest.

Successful candidates will join the Global Graduate Training Programme which shall take place in July 2021. As a Graduate in our Debt Advisory / Restructuring Team you will work in dedicated project teams to support our clients with various backgrounds ranging from private equity to corporate clients in all financing / financial restructuring related processes. In specialized teams you will profit from the expert knowledge and experience of our excellent advisors.

Graduates are recruited from all degree disciplines and a high level of academic achievement is required, together with strong numeracy, communication and interpersonal skills. First experience in financing or capital markets related environment (via internships) is an advantage. Fluency in German and English is also essential.

Interested graduate students (with an exceptional Bachelor or Master degree) please apply online on www.rothschildandco.com/careers and add their CV, a letter of motivation in English, their A-levels and university degree as well as references from previous internships.

In case of any questions, please do not hesitate to contact Erneste Wilbert.
